KIND+JUGEND 2009 has finished

KIND + JUGEND, the trade show for Kids' First Years, held in Cologne, Germany finished on 20 September, 2009. We exhibited Child Car Seats, Shopping Cart for Pregnant Woman and Photo Albums for the Babies in our booth.

We had many inquires from the visitors and we could successfully got a toehold to build overseas business network for such exhibits. Especially, LEAMAN brand child car seats were extremely well-received by the visitors.
