Stationery Fair 2009 in India has finished

The 11th Stationery Fair 2009 held in New Delhi, India finished on 6 September 2009. We had many visitors from all over India during the fair (for 9 days) and our products got a very good reputations from them.

Everyone showed strong interest in our high quality and attractive designed products.

Also, our products based on the concept of "Family" got the sympathy of them. Especially, our photo albums with self-adhesive pages were highly appreciated.
