SHINY WHITE makes your photos look **WONDERFUL!**

1 The Durability & The Keeping-Quality are improved!

The sheet laminated by PET*, which is eco-friendly, is outstanding effect for moisture-proof. * Polyethylene-terephthalate...material of plastic bottle

2 Shiny White makes your photos look wonderful.

Light-resistance is 5 times higher than other normal sheets. The "Brightness" & "Whiteness" of sheet make your photos look more beautiful.

3 Easy Removing photos from the sheet with "NO DAMAGE".

The non-strong glue and embossing make the removability improve. Above capability makes air bubbles come out of the sheet easily. Help you remove the ink-jet photos from the sheet beautifully.
