easy care!

No clogging.

Never lose it. Your favorite pen is always here.

At office

While studying

Put it wherever you like.
You can change the place as you like.

Stick various pens from thin pen to thick pen.

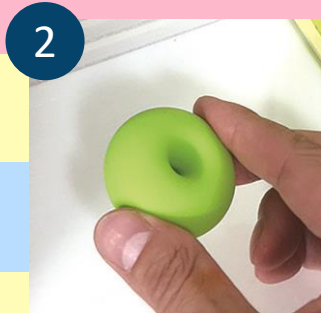

Just wipe with wet tissue when it gets ink on.

The hole penetrates through, then, the dust never been clogged.

How to use

Peel the vinyl cover.

Stick on the desk.

Insert a pen.

The pen never fall over because the sticky jell on the bottom-face sticks to the desk firmly.
