

Well-designed, high-class notebook can evolve your motivation, work, study and your life!

Four Major Benefits accommodating the request from dedicated notebook users!

1. Satisfied smooth writing, many pages and good prices. The quality is first-class but price is economy class.
2. The notebook matches a various type of pens.
 - *Ink hardly blurs or goes through the paper.
 - *Preserve the written color clearly.
 - *Smooth writing.
3. Hard to choose "lines page", "plain page", "grid" page"
Consolidate these all types of pages to one notebook!
Writable as you like yet with neatly arranged letter.
4. Using diary and notebook separately is troublesome.
This「Think Notebook」covers both functions.
